The Courts is proud to announce the opening of our facility to schools and organizations for daily field trips!

It's where the teams play!

"The Courts is a great place to take students for field trips. It is large enough to allow for a variety of activities, which are fun for children and easily supervised by adults. I would strongly recommend considering The Courts for your next field trip. Your students will have a blast and you won't have to worry about the weather."

*-Mark Piper, Principal,
Hartville High School*

The Courts is ready to be the host of your next field trip. Our 25,000 square foot facility, with three full size basketball courts, features a variety of athletic and extracurricular activities.
