

THE COURTS YOUTH BASKETBALL RULES

1. All league games will be governed by the official basketball rules as adopted by the National Federation of State High School Associations with the exception of the special league rules adopted by The Courts.
2. A team must be fully registered with The Courts. Waiver/Roster forms must be filled out by each team and turned in before their first game. Due to insurance policies, forms may not carry over from one session to another; a new form must be filled out for each new session. Any team playing a player not on its roster will forfeit the game. Players may be added to the roster during the session, but they must fill out the appropriate paper work before playing.
3. Players must play in the grade division they are currently enrolled in school or play in a higher division. During Summer Sessions, the grade division currently enrolled in is considered to be the grade you will be going into the following fall. No player can play down to a lower grade division. The Courts reserves the right to amend this rule in special circumstances.
4. Players may only play on one team per conference, but they may play on multiple teams in different conferences in a session. *During the High School Tune-Up League and Summer Sessions, players are allowed to play with their school team as well as their "summer" team.* The Courts may waive the rule of players only playing on one team in a league and allow a player to play on two teams in a league. Players must be on both rosters and are not allowed to play on other teams in that league.
 - *If a player chooses to play on multiple teams, The Courts is not required to schedule around an individual's time conflicts.*
5. A player playing in the current session must have their parents meet with The Courts management to transfer teams. The player then will have a one-week waiting period before playing in the next game. *The player will only be allowed to transfer one time in a session and will not be allowed to go back and play for the previous team in the current session.*
6. Teams must be able to field a team of at least four players. If a team fails to have four players on the court at game time, they will be given ten minutes before a forfeit is called. At any time during a game when a team drops below four players due to injury or disqualifications, the game is forfeited.
7. *Teams that field a team with less than four players may fill their squad with other players in order to play the game, but the game will be ruled a forfeit.*
8. All players must at least have numbers on the back of their jerseys. The numbers may be between 0 and 99.
9. There must be an adult present on the bench at all times. There will be only two coaches allowed on the bench during the game. *Only one coach, designated as the "head coach", will be allowed to stand during the game and address the officials.* Coaches will not stand and argue judgment calls. This will result in a technical foul. Coaches must stay within the regulation 14' coach's box located in front of their bench.

10. *Acts of disrespect or intimidation, while not directed specifically toward opposing players and coaches, are still considered unsportsmanlike. The Courts encourages its coaches to act professionally at all times.*
11. K-1 teams may have one coach on the floor to help instruct. The coach must stand on the opposite side of the floor from the benches, and will not be allowed to go past the “volleyball serving line” and will not be allowed to go past the “volleyball side line”.
12. Prior to each league starting, the schedules will be posted on The Courts website at www.thecourtsezone.com under the “Schedules/Scoreboard” link. Notification of these schedules being posted will be e-mailed to the team contacts. It is the responsibility of the teams to locate their schedule and appear for their scheduled games.
13. Game Change Requests Policies are covered at The Courts website at http://www.thecourtsezone.com/rules_policies.cfm.
14. If a team cancels without approval from The Courts, it will be recorded as a loss and a win for the team that they were scheduled to play. Every attempt will be made to fill the game at that time. If a team forfeits two games without notifying The Courts, they will be dropped from the league.
15. All games will consist of two eighteen-minute halves. The clock will run continuously and stop only during time-outs and the last two minutes of the game on dead balls and whistles.
 - If a twenty-point lead occurs, the clock will run continuously during the last two minutes.
 - The clock will not stop in K-1 games.
16. In case of overtime, the first overtime period will consist of two minutes. The second overtime period will be a sudden death format. The first team that scores will be the winner.
 - There will be no overtime in K-1 games. Both teams involved will be credited with a win.
17. There will be two minutes between halves and a minimum of four minutes between games. The Courts reserves the right to alter times if games should run late with adequate warm-up time being allowed.
18. Teams will be allowed three time-outs per game to be used at any time. These timeouts will be for forty seconds. Teams will be issued one additional time-out for the overtime period. Previous time outs remaining will carry over to overtime periods.
 - *In the event that a team is leading by 20 or more points, The Courts strongly emphasizes that the team leading not use remaining time outs unless it is for substitution purposes or in cases of emergency.*
